Impounded Vehicle Service Registration Agreement

Per Utah Code Ann. Section 41-6A-1406, if a vehicle is removed or impounded by an order of a peace officer or law enforcement agency, the tow truck operator is required to report the removal and impoundment to the state's Motor Vehicle Division. To facilitate this process, a database and corresponding Internet interface has been created for the submission, storage, and retrieval of this information (Utah Code Ann. Section 41-6A-1406).

The online Impounded Vehicle Service allows tow truck operators to enter information for both private and police-generated tows; receive basic vehicle verification from the Title, Liens, and Registration (TLRIS) system; update vehicle storage locations; and subsequently release the vehicle upon retrieval by the owner (or petition for release for auction after storage period requirement has been exceeded).

A subscription to Utah.gov is necessary if you desire to access the Impounded Vehicle Service (IVS). The Utah.gov network is an Internet-based electronic portal designed to streamline access to government information. Utah.gov is managed for the State of Utah under contract by Utah Interactive, Inc. This Agreement is between you, the Monthly account holder, and Utah Interactive, Inc, and it permits you to access the IVS. Network registration is offered on an annual basis. To register, you must complete all sections of this Agreement. Please carefully read all information enclosed, including any insert on services, products, or prices. This Agreement, plus any applicable inserts, must be signed, dated, and returned to the above address.

An initial subscription fee of \$95.00 is required. Each Monthly account holder will be issued up to 10 ID/account numbers per annual fee. You may pay with a check or money order made to Utah Interactive, Inc. in the amount of \$95, or you may pay with a credit card by filling out the appropriate information on page two. Thereafter, the annual registration renewal is \$95 and will be billed to your account automatically.

In addition to the registration fee, certain Utah.gov services may have statutory and/or transaction fees associated with them. Information on all fees is provided as an attachment to this Agreement or on the associated Internet pages. There are restrictions on access to certain records and some records are restricted in use. You may be subject to penalties under law if you violate any of these restrictions.

If you have any questions regarding information contained within this Agreement, please contact Utah.gov at 1-877-9UT-EGOV (1-877-988-3468).
