# MVED Newsletter

## **Renewal Reminder**

All MVED licenses expire June 30th each year. Be sure to re-new in a timely manner so we have time to process your re-newal and get decals (if applicable) mailed out to you.

## **MVED Licenses are now online in your Businesses MVP account**

Your MVED licenses will now be online. You can now log into your MVP account and print those licenses anytime. When we process a transaction for a license you will get an email reminding you to log in and print. You can also print out replacement licenses if they are lost.

## **Monthly Reports of Sale are due on the 10th of each month for all Dealers**

The TC-928 Monthly Report of Sale needs to be filed monthly, even if you don't have any sales for that month. This report includes wholesale sales, sales to non Utah residents, and sales in which you did not issue a 45 day dealer permit. Instead of filing the paper form, you can also report your monthly reports of sale via your account on the MVP portal [www.mvp.tax.utah.gov](http://www.mvp.tax.utah.gov)

This report is also used to help determine the number of dealer plates you can renew each year.

### **MVED Complaint Forms can be submitted via the MVP portal**

MVED Complaint Forms can be submitted electronically via our MVP portal. [www.mvp.tax.utah.gov](http://www.mvp.tax.utah.gov) go to the MVED section, then submit a complaint. You will upload all supporting documents during the process.

### **TC-466 Transaction Disclosure Form**

Please do not send a copy of the TC-466 in with your title/registration documents to the DMV. That form should be kept in the dealer jacket. A motor vehicle dealer must complete and present this form to a potential retail vehicle buyer before the sale is finalized. This form is not required for auction sales or fleet transactions.

### **Non-Resident Sales Tax Exemption Form TC-721A**

This form has been changed slightly. Instead of keeping it in your dealer files, you must go to your TAP account and upload the form within 45 days of the sale. Instructions can be found on the most recent version of the form. <https://tax.utah.gov/forms/current/tc-721a.pdf>
